

Of Interest To Women.

A PRETTY NEW FOULARD.

DESIGN BY MAY MANTON.

FANCY WAIST 4696. SHIRRED SKIRT WITH FLOUNCE 4682.

Satin fouldard in champagne color with bits of a deeper tone is charming and among the latest and smartest silks shown. The very attractive gown illustrated is made of the material, with a simple scattered design, and is combined with a yoke and bertha of plain silk in the lightest shade, the trimming being applied points of lace and one of the new bandings. The bertha is a graceful one and the shirring in both waist and skirt are more than effective. Inasmuch as the soft silk suits them to a nicety and falls in graceful folds below. To make the waist for a woman of medium size will be required 5 1/2 yards of material, 21 1/4 yards 27 or 28 yards 44 inches wide, with 1 1/2 yards of silk for yoke and bertha; to make the skirt 9 1/2 yards 21 1/2 yards 27 or 5 yards 44 inches wide. SOCIETY

MISS EMILY READ was very pleasantly surprised yesterday afternoon by a number of society girls who gave an informal tea in her honor at Whitehall.

Col. and Mrs. Edwin F. Holmes yesterday received invitations to be present at a large reception to be given by Gov. and Mrs. Peabody of Colorado at the Planters' hotel, St. Louis, on the evening of May 2nd.

The informal dance which was to have been given last evening at the Ladies' Literary club has been postponed indefinitely.

Gov. and Mrs. Wells left last evening for St. Louis to attend the opening exercises of the St. Louis exposition.

This morning at half past 9 o'clock, Mrs. Louise Smedley-Smith, one of the most popular members of Salt Lake's society, becomes the bride of William H. Curtin of St. Joe, Mo. Bishop Scanlan will perform the ceremony in the presence of the immediate relatives. A wedding breakfast will follow, at which only relatives of the bride living in this city, the groom's sister and Bishop Scanlan will be present. Later the bride and groom leave for California and Mexico where they will visit two months before taking up their home in St. Joe.

Col. and Mrs. L. K. Bishop of Grand Rapids, Mich., arrived in the city yesterday and will be the guests for some time of their daughter, Mrs. Walter G. Tuttle.

Mrs. Ralph E. Hoag and niece, Miss Hapgood, arrived today from Ogden to visit with Salt Lake friends for a week.

Mr. and Mrs. J. D. Wood and Mr. and Mrs. Frank Hagenbath are home from California, where they have spent the winter.

Mrs. Shelly Tuttle leaves Friday for her home in Idaho after a pleasant visit with Salt Lake friends.

The programme for the entertainment at the First Congregational church tomorrow evening for the bene-

Emery of Iowa takes place today at the home of the bride's mother.

Miss Elizabeth Redall leaves soon for Kansas City to visit her sister, Mrs. W. F. Shelton.

A cable dispatch from London tells of a luncheon given the other day by Mrs. Samuel Newhouse. It says "Mrs. Newhouse had an American lunch party yesterday at Claridge's. She wore blue, with a big blue bag. Mrs. Ronalds was in mauve. Mrs. Sturgis, in a dress of Paris, was quite a la Franciscane, with an enormous cascade of black lace twisted around her hat and neck, the whole falling in a long founce to the knee. She was all in black. Mrs. Stanley Wilson was in brown. Afterward the four ladies went away in motor-cars."

Mrs. L. E. Hall, whose name was proposed for election as president of the Ladies' Literary club, has refused to accept the nomination, leaving Mrs. Hal W. Brown the only candidate for the office.

Mr. and Mrs. Robert S. Dutton of Chicago are visiting for a few days with Mr. and Mrs. C. O. Whittemore on their way to California.

Utah's delegates to the biennial convention of the General Federation of Women's clubs at St. Louis are to be guests at a large and brilliant reception to be given at the home of Mrs. John Davis.

Mrs. A. E. Hutchinson leaves early in May to pass the summer months in Canada.

A very pleasant social event of last evening, enjoyed by 20 members and friends, was that by the McKean, rosh and corps in their hall in the Jennings block. The exercises were of a patriotic nature, opening with the singing of "America" and closing with "The Star-Spangled Banner," by the audience. Mr. Colburn of Illinois, a visiting comrade, recited "Sheridan's Ride" and Mrs. Charles Billings and Miss Lane gave a beautiful piano duet. Dr. T. C. Cliff was at his best in an informal talk on scenes and events of the Civil war, and aroused the enthusiasm and patriotism of the audience to a high pitch by his relation of the stirring events. After the programme refreshments were served by the ladies of the corps and an enjoyable informal social hour passed before the guests departed.

The meeting of the ladies' aid society of the First Baptist church, which was announced for today, will be postponed until the next regular meeting in May.

Huge Opium Den Located in a Pen

Startling Find Made in Nebraska State Prison—Many Dope Fiends Discovered.

OMAHA, Neb., April 26.—Rumors regarding the use and procuring of opium by convicts in the State penitentiary at Lincoln have been verified.

A painstaking investigation disclosed that the penitentiary is the harbor of a huge opium den.

A startling number of the convicts are addicted to the use of the drug, and men who were once within the walls agree in the assertion that contractors and "trusties" assist in the smuggling because the "dope fiends" do double work while under the influence of opium.

The extraordinary feature of the situation is that Warden Beemer avows he cannot check the evil. The laws provide for the punishment of only citizen employees smuggling the drug, he says. None others can be punished, and so his only recourse is confiscating the opium when smuggling is detected.

She found that she had struck a snag When this man looked her as a vag. "I'm guilty, Judge," Miss German sighed, "But if you'll let me go," she cried, "I'll fly my kite This very night, And don't you fear You'll see me here."

BY MISS BEATRICE DARLINGTON.

"Last spring I was very much run down, and so weak that the slightest exertion exhausted me so that I would have to sit down and wait until I could catch my breath and for my heart to stop fluttering. I was a particularly hearty, active girl, but my health left me suddenly and I began to grow weaker. I used to think that if I grew so weak in such a short time it would only be a little time longer before I would be in my bed, perhaps dying."

"I remember the day I took my first dose of Paine's Celery Compound. While visiting a friend's house I had a weak spell. The medicine did me so much good that on my way home I bought a bottle. The relief was great."

"I decided I would keep on taking little doses regularly until my system was built up, and I did so for three or four months. Occasionally I take a dose of Paine's Celery Compound, and the strain has been a little too much for me. But I never feel the awful smothering and heart-fluttering that I used to have, and it is only very seldom now that I really feel tired. I sleep and eat well and my health is excellent."—Miss Beatrice Darlington, 38 Washington Square, New York Jan. 5, 1904.

Today Miss Darlington is well and strong. Her exquisite, clear complexion is a delight to the eye. Her run down, tired feeling is gone forever.

She is buoyant with health and vitality. For Paine's Celery Compound has given to her the same vital strength and cheery health that it gives to every tired man and woman who relies upon it.
